Describe your degree of fitness in your own words:

Do you have any other health-related disease, condition, or concern that program guides should be aware of?  Yes  No

If yes, please describe:

### **Emergency Care**

In the event that Participant requires emergency care, Participant grants permission for any licensed practitioner to practice medicine, Participant agrees to alert ANFT certified guide to any medical or psychological conditions or needs he/she may have prior to beginning the forest walk with the acknowledgement that ANFT / Nature's Alchemy will not be responsible for any medical, physical, or psychological need or issue of Participant.

### **Signature**

This information is accurate and complete. I agree to communicate fully with program instructors and Guides any health concerns that may arise. I give my permission to staff of the Association of Nature and Forest Therapy Guides to seek emergency medical diagnosis or treatment for me in the event that I am unconscious or unable to make my own decisions. I understand that should I need medical care for any reason while participating in this program the role of Guides will be limited to emergency first-aid and either transportation to the nearest medical facility, or contacting such a facility to arrange emergency transport.
